Suggested Dinner Wines

CALIFORNIA WHITE WINE

#130 Wente Bros., Grey Riesling—
Delicately soft with a delightful distinctive aroma.

CALIFORNIA RED WINE

#50 Almadén, Cabernet Sauvignon—
The pride of San Benito Valley. Like Burgundy a deep red slightly tart wine—somewhat lighter in body and flavor. Great with steak, roast, chops. Usually served at room temperature.

FRENCH RED RHONE

#92 Châteauneuf Du Pape, Barton & Guestier—
This memorable red wine is found exclusively along the Rhône River in France. It has body and clarity yet it is versatile enough to be a superb choice for any meal.

(Consult the Wine List for a complete selection exactly to your taste.)
