UH West O’ahu featured in “Be a Hero. Be a Teacher.” segment by HI Now

On Wednesday UH West O’ahu was featured in a HI Now segment on the Be a Hero. Be a Teacher. campaign by HI Now. The three-minute spot was titled “[UH West O’ahu plays key role in battle to develop good teachers in Hawai’i](#),” and featured interviews with Dr. Mary Heller, UH West O’ahu Education Division chair and director

of teacher training, and Dr. Stephanie Kamai, associate specialist and coordinator of field experience, talking about UH West O'ahu's goal of training teachers to serve central and West O'ahu communities. Heller noted the program is relatively young, but that 80 percent of the 212 alumni teach in West O'ahu public schools. The spot was sponsored by the UH System and the Hawai'i Department of Education.

Do this by Nov. 30: Enroll in Multi-factor Authentication

[Multi-factor authentication](#) (MFA) sounds like a large and complicated task, but it really is not. MFA is one of many different methods designed to help protect you from cyber attacks and protect your personal information. MFA requires you enter your password into the University gold page and then sends a text that you just approve to log in or calls you with a random code to be entered into the web page that you are trying to log into.

You may have read the University of Hawai'i System announcement talking about the requirement for all employees (faculty, staff and student employees) to enroll in MFA by Nov. 30, 2018. This is the first step to connecting to the State of Hawaii new payroll system in December 2018. To enroll in MFA, please go to <https://www.hawaii.edu/askus/1758> This web page will walk you through setting up MFA. *We highly recommend that you use your office phone as a secondary MFA device in case you lose your mobile phone.*

If you need assistance, there are two options for you:

- IT will be offering workshops in James & Abigail Campbell Library B-233. Please bring your mobile phone with you along with your your office phone number. The workshops will be held the week of Nov. 26 to 30 and will be posted on westoahu.hawaii.edu/it/mfa. No appointment is necessary.
- Call the UHWO IT Help Desk at x2411

Please remember that MFA is required for the new State of Hawaii payroll system and you need to enroll in MFA by Nov. 30th. If you have any questions, please contact Therese Nakadomari at therese@hawaii.edu or the UHWO IT Help Desk at x2411.
