ACCESS TO COLLEGE EXCELLENCE (ACE) CLUSTER FOR SPRING 2007

Access to College Excellence (ACE) is a learning community program designed exclusively for first-year students to help them adjust to college life, whether they are straight out of high school, have taken a break from college, or are entering college after several years of working or raising a family. Students who join an ACE cluster are guaranteed enrollment in two or more high-demand courses. In addition to the courses, ACE participants are required to attend a weekly seminar that is designed to reflect the needs of each ACE cluster. Ten spaces in each cluster course are reserved for ACE students. Interested students should tell their advisor during the orientation or advising session that they want to enroll in an ACE cluster. If students fulfill the course prerequisites, they may also register themselves online by adding the ACE class section CRNs at the same time. For more information, contact Renita Cole, ACE Coordinator (734-9326, rcole@hawaii.edu).

International Students & Music (Co-leaders: Renita Cole & Anne Craig Lum)

This ACE cluster is designed to help international students adjust to American college life. While learning piano and English, students will discover how these two disciplines are interrelated.

This English 97 class is a four credit variation of English 22 and counts as a pre-requisite to English 100. Although the focus will be on the skills necessary for college level writing as in English 22, the processes of reading and writing will be used to heighten self-awareness. In this course, we will examine such questions as: "Who am I?" and "What am I doing here?" "Who do I want to be?" "How can college help me become that?" "What do reading and writing have to do with any of this?"

The following **ENG 100** classes require the following: (UNLESS OTHERWISE SPECIFIED)

Prerequisite(s): ENG 22 with a grade of "C" or higher, or qualification for ENG 100 on the KCC placement instrument. This ENG 100 class is computer-assisted and meets in a computer lab. Beginning typing skills are required.

Prerequisite(s): ENG 22 with a grade of "C" or higher, or qualification for ENG 100 on the KCC placement instrument. This ENG 100 class is computer-assisted and meets in a computer lab. Beginning typing skills are required. This ENG 100 class is part of the Malama Hawai'i "Na Wa'a" e-Portfolio series. This class gives you the opportunity to create a Na Wa'a Malama Hawai'i e-Portfolio showcasing your academic and personal achievements and class projects using the Internet. A Na Wa'a e-Portfolio is a collection of material you will select and organize using a Native Hawaiian values framework. The Na Wa'a e-Portfolio process increases awareness of your journey as a student, helps navigate connections about career, community, personal and educational goals, as well as demonstrates the course competencies identified in the ENG 100 syllabus. You will be encouraged to continue to build your portfolio beyond this class to create a body of work that represents your learning over the course of your college career.

LEARNING COMMUNITIES

A learning community is the merging of two or more courses into a single course. Learning Communities are designed to promote collaborative learning and to enhance students' understanding of the connections between the two disciplines combined within the Learning Community. Students who enroll in one of the courses of a Learning Community must also enroll in the other course(s) of that Learning Community. Students who drop one of the courses of a Learning Community must also drop the other course(s) of that Learning Community. For additional information, please contact Leigh Dooley, Learning Communities Coordinator (ldooley@hawaii.edu).

Prerequisite(s): Qualification for PCC 20, ENG 21, ENG 22, PCM 23, MATH 24, MATH 25, MATH 81, IS 103, or ENG 102. LSK 30G is a 10-week class section. LSK 30G may not be audited. This class is a 10-week module designed for students interested in learning how to be successful in both college and life. Students work independently and in groups to participate in self-selective and interactive activities. Topics covered include time management, goal setting, developing creator language and decision making. Class starts on January 23, 2007.

Prerequisite(s): A grade of "P" in PCM 23, or a placement test recommendation of MATH 24 or higher. This class requires a scientific calculator. This is identical in content to the other MATH 24 sections. However, this section will require students to participate in various activities to help build their self-confidence in mathematics and assist students in discovering their mathematical power by engaging in real-world situations to explore math and see its connection to life.

The following MATH 25 classes require the following: (UNLESS OTHERWISE SPECIFIED)

Prerequisite(s): A grade of "C" or higher in MATH 24 or a placement test recommendation of MATH 25. A scientific calculator is required.

Prerequisite(s): A grade of "C" or higher in MATH 24 or a replacement test recommendation of MATH 25. This class requires a scientific calculator. This section of MATH 25 is part of the "Make a Difference: Influence Others with Words and Numbers" Learning Community. Join this Learning Community to discover your power to make a difference in the world by using writing and numerical representations to express your ideas and influence others. To register for MATH 25 (CRN 34650), you must also register for ENG 100 (CRN 34632). If you withdraw from MATH 25 (CRN 34650), you must also withdraw from ENG 100 (CRN 34632). Contact Mark Alexander at markalex@hawaii.edu for more information.
