Prerequisite(s): ART 112 with a grade of "C" or higher; ART 115 with a grade of "C" or higher; satisfactory completion of the Graphic Symbolism entrance portfolio review or acceptance into a NMA AS specialization. Comment: ART 127 may not be audited. This ART 127 class section (CRN 35280) is conducted on the Internet. Please check your MyUH portal email for course announcements at the start of the term and view the course website http://superfinedesign.net/kcc/art127.html for detailed course information. As a summer online course, there will be limited access to New Media Arts computer labs; therefore, it is recommended for students to have a personal computer capable of running Adobe CS software, along with high-speed internet access. NOTE: NMA computer labs house all the resources needed to complete the course; should you choose an alternate method of working (such as working from home on your own computer with trial versions of the software) and malfunctions occur, you are expected to use the NMA computer lab resources to complete your assignments. Students are also able to purchase the software at student discounted educational rates either online or via the UH bookstore. Before enrolling, if you are not planning to work in the NMA Labs, please check the minimum system requirements necessary for a computer to be able to run the software: http://adobe.ly/xGIZXE . For additional information please contact the instructor via email (egamoody@hawaii.edu).

ICS courses often use a lot of technology. Students need to be able to access course related technologies outside their classroom. This may require Internet access, proprietary software access (e.g. Microsoft Office 2010 on Windows PC), and/or specific hardware specifications to successfully use course applications. This ICS 100 (CRN 35010) class section does not transfer to UH Manoa. ICS 100 students may be required to purchase storage for electronic media to store data files and assignments created as course projects. SimNet is a required tutorial and homework application for this course. A license for its use is included with each new textbook purchased from KCC Bookstore. Students buying a used text or ordering one online which does not include the license will be required to purchase the program. For class information or other inquiries contact the instructor via email (tommooore@hawaii.edu).

ICS courses often use a lot of technology. Students need to be able to access course related technologies outside their classroom. This may require Internet access, proprietary software access (e.g. Microsoft Office 2010 on Windows PC), and /or specific hardware specifications to successfully use course applications. This ICS 101 class section (CRN 35011) is conducted on the Internet. This class section has a 6 week schedule and is not self-paced. Two weeks prior to start of semester, log into <https://laulima.hawaii.edu/portal> with your UH username and password to check for announcements from your instructor. Please check your MYUH portal account regularly for announcements about class cancellations, UH system announcements, and/or email. Students are required to use Microsoft Office and have a basic familiarity with the Internet. This ICS 101 class section fulfills a requirement for Certificates of Completion in Programming, Database Administration, Help Desk Support Services and Payroll Preparer. It also meets requirements for Shidler College of Business (UHM), College of Business at Hilo (UHH), School of Travel Industry Management (TIM), UHM's Biology program and Botany Department. Students are expected to provide their own USB compatible high density electronic storage media of minimum size specified by instructor (generally 128 MB). MyITLab is a required tutorial and homework application for this course. A license for its use is included with each new textbook purchased. Students buying a used text or ordering one online which does not include the license will be required to purchase the program.
