Kapi'olani Community College Mobile App

The Kapi'olani Community College – Mobile App

The Kapi'olani Community College – Mobile app puts the power of online access and support in the palm of your hands. One touch opens an intuitive gateway to the tools and resources you need to take your KCC experience on the go. Class availability, academic calendar, and final exams! All yours and available now for download.

Windows Mobile version coming soon!

- ☐ **My Kapi'olani** — Your one-stop hub with key features listed together for quick access! From your class schedule to the day and time of that killer final, tap into the nerve center of your academic journey
- ☐ **Events** — Keep in the loop for every event, and campus happening!
- ☐ **Map** — Navigation on the fly. Locate buildings by name and zoom in and out of a full campus map!
- ☐ **Directory** — Search the KCC directory for faculty, staff & administrators. Find office locations, hours & contact information.

- ☐ **How Do I?** — This is your answer guide to the questions that come up when answers just can't wait.
- ☐ **Campus Dining** —When you're hungry, you need to eat. We've got your guide to local food for every mood!
- ☐ **Library** — Direct access to the KCC Library website & Testing Center. Search all collections and resources to determine the availability and location of what you need, when you need it.
- ☐ **Laulima** — Connect directly to Laulima and access your course content & communications. Get class tools and collaborative materials from your instructor and classmates right at your fingertips.
