The original Parker House *Spring 1857*

Turn half-way round, and let your look survey
The white façade that gleams across the way,—
The many windowed building, tall and wide,
The palace-inn that shows its northern side
In grateful shadow when the sunbeams beat
The granite wall in summer's scorching heat.
This is the place; whether its name you spell
Tavern, or caravanserai or hotel.
Such guests! What famous names its record boasts,
Whose owners wander in the mob of ghosts!

Dear "Pudie" and "Tommie"!

Hope this brings back fond memories to back of you. I know a menu from "Michels" at the "Outrigger Canoe Club" would make me wish I were back in Hawaii again. In fact, I don't need the menus - I wish I were there Period.. How I miss you all - the Club - the Colony Surf and that beautiful Pacific ocean to say nothing of my very dear friends who live there.

We are in the midst of cleaning closets - getting rid of a lot of clothing and furniture, and I just hate doing it. You do not realize what a lovely, easy life you live there. I am just beginning to appreciate how lovely it all was - no work at all comparing to what I have been doing since I arrived home. I wish ten times a day that I was back in Honolulu living the life of the "Thomases"!!!

Have you seen Ethel and Stuart Hall lately? Are they back home? Give my love to them, to Hazel and the Brennans. With much love to both of you from all the McCarthys — and God Bless from me —— Mac
