Aloha kakou! Hope the semester is treating you well!

Acceptance letters are being sent to Spring 2017 new students. This is an automatically generated email from Starfish, sent by the system (see attached). We also have a slightly new process below so that we can generate different interventions based on whether students immediately express interest in attending, by completing the Intent to Enroll Form, or if they don't respond.

1. Student Receives Acceptance Letter
2. Student Completes Intent to Enroll Form
3. Student Receives Email from kapstart (see below)
4. Student Completes NSO Part I and registers for NSO Part II
5. Student Attends NSO Part II and registers
6. Student Attends NSO Part III

NSO will continue to support Dual Credit and International students, but will also include "new" transfer students (TYE population) starting this semester. This change is due to the implementation of STAR Registration and the need for new transfer students to have their transcripts evaluated prior to registration, as well as our new definition of first-year students (0-19 earned credits = FY student) in an attempt to improve retention and persistence. Cory will be sending out more information on this as we tweak this new process.

We would be very grateful for your continued support of NSO by attending as many as you are able. Here is a link to the google form responses where you can see how many students have registered for Part II, as well as sign-up to attend: ***http://go.hawaii.edu/jkZ*** *(see worksheets labeled Counselor List).*

Please join us on November 16, from 11am to 12pm, in Iliahi 231, Elima, for a preview of NSO Part II.

Aloha and Welcome to Kapi'olani Community College

Congratulations on your acceptance to Kapi'olani Community College for the Spring 2017 semester! Complete the steps below. The sooner you do, the sooner you can register for classes.

STEP #1: CLICK HERE to register for your New Student Orientation (NSO) Part I

STEP #2: CLICK HERE to complete the First-Year Survey. You will need your MyUH username created to take it.

STEP #3: English and Math Placement (see below for more information)

If you DON'T have high school or college transcripts or SAT or ACT scores, you need to take an assessment to determine what English and math class you can take in your first semester.Click Here for More Information

If you earned college credits, have the college you attended send your transcripts ASAP to KCC. You will not be able to register for classes without them. Click Here for More Information

If you are on a neighbor island or out of state, don't worry! You can complete your NSO Part I by webinar, however if you don't have wi-fi access you can request a telephone NSO by contacting the FYE Office.

Still not sure what to do? Feeling overwhelmed?
Contact us at the First-Year Experience (FYE) Program at kapstart@hawaii.edu or (808) 734-9245 or stop by our office in 'Iliahi 231.
