Dear President/Financial Aid Administrator:

The U.S. Department of Education has received your institution's Balance Confirmation and closeout request for the Direct Loan 2016-2017 Award Year. The Department's records show that your school's cash balance for this year is at an acceptable level.

To complete the Program Year Closeout process for your institution, the Department has taken the following steps:

1. Limited your school's data processing for this Program and Award Year. Award or disbursement changes will be rejected per published edits.
2. Reduced your school's Current Funding Level (CFL) which limits your school's ability to draw funds for this Program and Award Year.
3. Stopped the generation and transmission of your School's School Account Statement (SAS) and other system-generated as applicable for this Program and Award Year.

Congratulations on successfully completing the closeout process. If you have any future questions about reconciliation or closeout, contact the COD School Relations Center at 800/474-7268 (Grants) or 800/848-0978 (DL). You may also email CODSupport@ed.gov.

Sincerely,

Federal Student Aid
U.S. Department of Education
