Kapi'olani PAU Violence Coalition (aka Violence Prevention Task Force)

2015-2016

The Coalition meets four times a semester for the purpose of supporting prevention and awareness activities for students. We are arm of the Title IX team. The summer of 206 and most of Fall 2016 was spent on relooking at the vision of this group and resulted in renaming to the Kapi'olani PAU Violence Coalition, reforming our coalition and working on a guiding document. Less emphasis was placed on campus events for the 16-17 academic year.
