

Welcome

Welcome to Taskstream, a reliable web-based software that provides an effective way to document, analyze, manage, share and archive outcomes assessment in support of rich, data-informed conversations about student learning, development and services.

Visit the KapCC Assessment site for some short tutorial videos to help you get started. <http://kapccassess.weebly.com/taskstream.html>

Workspaces

Faculty credentials

Assigned Workspaces Preview Mode

You do not currently have access to any Workspaces. Workspaces provide access to documentation areas, complete with instructions, review methods and input formats. Please contact an AMS coordinator if you feel you should have access to a Workspace that does not currently appear here.
