NUMBER 34

Water Development Projects

Two of the current water development projects are nearing completion and last week we started full capacity operation of one six million gallon pump unit in Field 87. In Field 90 we have installed a temporary pump which is supplying irrigation water pending arrival of the regular pumps from the mainland.

800,000 Ton Mark Seed Cane Is Not for Chewing

Sugar production in Hawaii is expected to pass the 800,000-ton mark soon, fast moving toward the expected 1,150,000-ton crop for 1964. Unofficial production up to the end of last month was 770,598 tons. For the comparable period last year, output was 640,021 tons. The first of the plantations completing their crop early is not expected to finish their season until late September.

Congratulations... Food Consumption

Rudy Pascoa, son of Mr. and Mrs. Miguel Pascoa of Varona Village, received his B. S. in Mechanical Engineering from the University of Hawaii last week. He came to join his parents from the Philippines in September, 1956 and was naturalized in September, 1962. Rudy has plans for joining the U.S. Army. Graduating last week from Honolulu Business College are Anita Anquay, Clarita Oasay and Gail Pico.

Temporary Hires Production News

Seven more temporary hires have been added to our work force recently as Field Mamas: Antonio Bardenas, Stephen Cui, Marcelino Fabia, Millard Gray, Juan Lagmay, Juan Roldan, Sr., and Bernardo Sarandi.

Carnival Notes

From the Carnival Committee... Taichi Imada reports that the results of the house-to-house donation drive have been highly gratifying. With only two weeks to go, those who have not yet been contacted are asked to call Taichi Imada or Alfred Respicio to arrange pickup of their donations. Stocking of tilapia in the swimming pool for the fishermen at the Carnival, will begin any day now. Again this year thousands and thousands of them will provide fun and thrill for the anglers.

The Commercial and Industrial Exhibits section promises to eclipse all previous shows in grandeur. Our 50 business firms have spoken for display spaces—a record breaker, indeed!

Your Safety

EVERYONE should point out fire hazards. This is the time to give additional attention to the elimination of summer fire hazards. Check the facilities covering the following items to assure to the greatest possible extent that fires do not occur on our premises or property. 1. Check fire extinguishers in your area—are they filled? Are they located for easy accessibility? Are inspection tags and refills or recharge up to date or are they overdue for attention? 2. Are there any accumulations of debris, dunnage, trash, or other combustible materials that should be cleaned up and removed from your area? 3. Are there any weeds adjacent to fuel storage areas or buildings or near where equipment is normally parked? 4. Are light cords and any electric connection in need of repair? 5. Is housekeeping being neglected? Are storerooms, fuel storage areas clean and if so does someone check these facilities regularly to keep them clean? 6. Do you know how to dial the fire alarm? Do you know the location of the nearest fire extinguishers and how to use them? This check list is primarily for work areas, however, for the safety of your family check the items at home and make the corrections wherever necessary. If these procedures are observed fire hazards will be reduced to a minimum. IN CASE OF FIRE—DIAL 1047 AND REPORT THE LOCATION OF THE FIRE. --From the Plantation Weekly Safety Letter

Tennis Clinic

A tennis clinic will be held on August 28, 1964, Friday, 5:00 P.M., at the James Campbell High School courts. Mr. Ed Low and Mr. Lacuna of the Ala Moana Tennis Club will be instructors. All interested youngsters and others are cordially invited. This is sponsored by the Ewa Tennis Club.

Our Best Wishes...

For a speedy recovery to the following Ewaites who are recuperating at Ewa Hospital: Errol McLean, Segundo Corpuz, Torazo Sugai, Eliza Aliviado, Mesdames Eleanor Niino, Incarnation Tapee and Iniga Root.

New Tax Rules School Registration

NEW TAX RULES ON SICK PAY--- The Revenue Act of 1964 amended the sick pay, Code Section for exclusion but changes the amount excludable and the waiting period as follows: (1) Whether absence is for sickness or injury, the limit on the exclusion for the first 30 calendar days is at the rate of \$75 a week. Furthermore, for this period there is no exclusion at all if the sick pay is more than 75% of the normal salary or wage. (2) For the first 7 calendar days of absence, there is no exclusion, whether the reason for the absence is sickness or injury, unless the employee is hospitalized at least one day sometime during the absence. (3) After 30 calendar days of absence, the exclusion is up to \$100, as under prior law. The new rule applies to periods of absence beginning after 1963. If absence began in 1963, the old rule applies to payments for all days of absence, even those in 1964. Registration for James Campbell High and Intermediate School is as follows: August 24 - 12th Graders August 25 - 11th Graders August 26 - 10th Graders August 27 - 9th Graders August 28 - 8th Graders School hours during the registration period will be from 8:30 to 11:30 A.M. and 12:30 to 3:30 P.M. Students already pre-registered are to pick up their programs according to the schedule listed above. NEW REGISTRANTS are to report to the registrar in the cafeteria following the schedule given above.

Ewa's Oldtimer

The plantation salutes RONALD "Peter" GUSHI as the "old timer" of the week who at one age of 47, has accumulated a service record of 31 years and 2 months with this Company. Born in this community, "Peter" started as a Hand Weeder after his graduation from Ewa School. Promotion to Tractor Helper followed in 1934. He was transferred to the Harvesting Division on February 15, 1943 where he worked his way up the ladder to his present job of Crane Operator - Harvesting. Besides being a fishing enthusiast, "Peter" is a member of the Ewa Orchid Society and devotes much of his spare time in raising and caring of his many plants. He is presently the First Vice Chairman of the I.L.W.U., Unit 53 (Ewa). Mr. and Mrs. Gushi have three children - Curtis, April and Dexter. They make their home in Tenney Village.

Ewa Ballet Students

Prima Ballerina of the Royal Ballet Company of London, England, Shirley Graham, is posed with very lucky workshop ballet students of Ewa. Miss Graham performed at the Waikiki Shell last year with the Royal Ballet Company. Front row: Charleise Carino, Myra Ishihara, and Gail Omiya. Back row: Jan Tamashima, Lorene Hasebe and Shirley Graham.

Newlyweds

Congratulations to Mr. and Mrs. Brian Fukunaga who were married on August 12. The bride is the former Jane Kiyota of Honolulu and the bridegroom is the son of Mr. and Mrs. Mitsuo Fukunaga of Tenney Village. Kay Fujita became the bride of Stanley Kon on Saturday, August 15. Mrs. Kon is the daughter of Mr. and Mrs. Herbert Fujita of Varona Village. Mr. Kon hails from Waipahu.
