We are pleased to announce and newly enhanced professional development program for Kapi'olani CC faculty who plan to or have been teaching hybrid or online courses. The program will promote effective strategies in distance learning that support student engagement, student learning, and student success. A detailed program description with link to a very brief online application form can be found at <http://bit.ly/kcc2011>

Customer Care Center

Equipment, Telephone, Network Problems

- Assistance resolving problems with telephone, networks, computers and printers - include an explanation of the situation, e.g., projector bulb burned out, computer freezes at startup, etc.
- Short-term loan of Audio-visual equipment - provide type of equipment needed, start and end date, times, and location.

Computer Resources for Kapiolani Community College Faculty

Due to building renovations in 2011 to 2012 the faculty workroom/lab will not be available for general use until late spring or summer 2012. Two laptop computers have been set up in the lobby of the building for Kapiolani Community College faculty without access to a computer in their departments. The laptops are connected to a laserjet printer; printing is permitted for small single-copy work-related documents. You can print 2-sided pages in the print options. Use of a scanner is available upon request.
