This Week at UH West O'ahu
Week of Oct. 23

Have your questions answered by the Chancellor at Chit Chat session today

Chit Chat 091217a.jpg

It's not everyday that faculty and staff have a chance to ask questions to Chancellor Maenette Benham and listen to her talk about the campus, but can do so by attending the Chit Chat with the Chancellor session scheduled for today between 4 and 5 p.m.

Sitting in on the discussions will be the campus' Long-Range Development Plan consultant team. Can't make it? You'll have another chance to attend a Chit Chat on Nov. 11 from 11 a.m.-noon in D253. Please note that the dates and times have changed from what was previously announced.

UHWO recognizes James and Abigail Campbell legacy

library ceremony.jpg

If you call it the UH West O'ahu Library you'd be wrong. As of Wednesday the official name is the [James & Abigail Campbell Library](#). You'll find portraits of both of them just off to your left after you enter the library. The name change reflects the contributions of the Campbells to UHWO--they provided the land on which the campus is built. [An event Wednesday](#) evening celebrated the change with Campbell heirs and folks from the James Campbell Co. and the James and Abigail Campbell Family Foundation (see photo above). It also was attended by two former UHWO Chancellors, Doris Ching and Rockne Freitas, plus current Chancellor Maenette Benham.

You are invited to listen to Long Range Development Plan update

ldrp open house.jpg

Faculty, staff and students are invited to a campus-wide open house on UH West O'ahu's Long Development Plan. Learn about the status of the planning process and meet the consultant team. It takes place 9-11 a.m., Thursday, Oct. 26, Campus Center Multi-Purpose Room (C208)

Distance Learning tip of the week

Setting up meeting times between three or more people can be difficult. Doodle.com is an online scheduling tool that will allow you to pick available days and times and then send those options to your group members. Each member will select their available times and in the end your group will have workable options. Doodle is just one tool, there are meeting scheduler sites. If you are interested, check out: [rally.co](#); [assistant.to](#); [calendy.com](#); or [timebridge.com](#).

If you are interested in learning more about using other online tools, consider attending one of our weekly workshops. You can find more information about workshops and read other tech tips by visiting [uhwo.hawaii.edu/distancelearning](#) or emailing [uhwode@hawaii.edu](#).
