

# Achieving the Dream Goals - Kapiolani Community College Developmental/Remedial Math

**GOAL 1:** Increase the numbers of students, especially Native Hawaiian, low-income, and other under-served students, who successfully complete Remedial/Developmental courses and move on to and succeed in degree/certificate applicable courses.

**Measure Definitions:**

- 1. Attempters:** Students in the Achieving the Dream Cohorts who attempted any remedial/developmental courses 1, 2, or 3 levels below college (degree applicable) level within the first academic year.
- 2. Successful Completers:** Defined as grade C/equivalent or higher earned within cohort's first academic year (first fall, first spring, and first summer).
