## A Night Of Pride-- Introducing.... August 13 At the Gym

It's called "Parent's Night", that is, Saturday night, August 13th, at our Tenney Center. But it's something that all of us can take pride in--the kiddies, the teenagers, the adults.

Officially, the occasion marks the end of the Summer Fun program and gives the youngsters an opportunity to show the grownups what they've learned during the past eight weeks. New proficiency in games and athletics, new skills in craft work and new interests in hobbies will be displayed that night by the kids.

Yes, the youngsters will be bursting with pride that night. But why the rest of us, you may ask. Well, the leaders are Ewa teenagers, Summer Fun students before--teachers now. Naturally Mom and Pop are proud. The rest of us can stake our pride in the claim that not only is Ewa's the first, but the best.

All we need now is a turnaway crowd on August 13. Let's give the kids a boost.

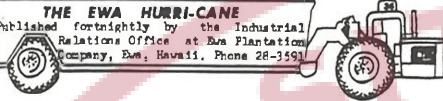

Miss Maria Kayoko Kawai, a public health nurse, from the island of Palau is doing post-graduate work at Ewa Hospital.
