Thank you for taking the time to view Kapi'olani Community College's (KCC) high school website. This website contains information and resources specifically to help you transition from high school to KCC.

At Kapi'olani Community College, we strive for excellence while making sure you're comfortable in your new environment. Recent high school graduates often tell us they feel comfortable at KCC because we have the right combination of academic rigor and compassionate instructors, counselors, and staff.

To get started in your college career at KCC, you need to take 7 simple steps listed on the left hand side. For each step, we've included comments from students, who share insights and words of encouragement that you may find helpful.

If you have any questions and/or concerns, please do not hesitate to contact the KCC Kuilei Outreach Program by email to [kuilei@hawaii.edu](mailto:kuilei@hawaii.edu), by phone to 808.734.9399
