ADMINISTRATIVE AFFAIRS |
OFFICE OF THE VICE PRESIDENT OF COMMUNITY COLLEGES
THE UNIVERSITY OF HAWAII | STAFF & FACULTY WEBSITE

Michael Unebasami, Associate Vice President of Administrative Affairs

With this website, we hope to create a user-friendly online experience for visitors seeking information and interaction with the administrative staff, as well as provide updates on current projects and initiatives at the community colleges. We'd like our team to think of this portal as a shortcut to resources for administrators and support staff, and a quick reference to other useful information. In addition, this website will provide updates on the current system-wide projects and initiatives at the community colleges.

As you know, these websites are forever evolving, and we anticipate many additions and changes down the road. Having said that, I invite you to browse through the web pages and send us your comments. Your feedback is very important to us.
