THIS WEEK AT UHWO

a bulletin for UH West O'ahu faculty and staff

Week of February 18

How do I get the word out?

Publicize your event via the [UH West O'ahu website calendar!](#) It's a great way to find out what's happening on campus and to share what's going on in your neck of the woods. Click on "Log in to calendar system" or visit the Communication Department's [Laulima site](#) for instructions on how to add events to the calendar. Anyone with a UH user ID is encouraged to submit calendar information. Don't forget to check back again and again for new event information!

Meet UHWO Director of Institutional Effectiveness and Assessment candidate Thursday

Dr. Jacqueline Honda, candidate for UH West O'ahu Director of Institutional Effectiveness and Assessment, will present to the campus community during an open forum on Thursday, Feb. 20 from 9:45-10:45 a.m. in D104. Can't make it? Join us for an informal meet-and-greet in the Classroom Building second floor faculty/staff lounge on Feb. 20 from 3:45-4:30 p.m. Dr. Honda is currently the Interim Vice President, Retention & Inclusive Student Success/Director, Institutional Research Planning and Assessment at Humboldt State University. Prior to that, she was a visiting higher education professor at UH Manoa. All faculty and staff are encouraged to attend the presentation and meet-and-greet events.

Campus safety reminder

During Professional Development Day in January, UH West O'ahu Campus Security Officer Gary Rivers spoke about campus safety and shared a ["Run, Hide, Fight" video](#) that included information about the options to consider in the event of an active shooter campus emergency. Please take a moment to review the [video](#) if you have not already done so and direct any questions to UH West O'ahu Campus Security at 689-2911.

Familiar faces

View photos from last week's [E Ola Pono Health and Wellness Fair](#) sponsored by Kealaikahiki as well as new photos from Dr. Monique Mironesco's ["Politics of Food" service learning trip to MA'O Organic Farms](#) where students pulled weeds in a field of lettuce, kale, and beets followed by a tour of the entire farm and packing shed. MA'O Organic Farms is a non-profit social enterprise located in Wai'anae that employs college-bound youth to foster leadership skills and put the value of aloha 'aina into action.
