

Rec 1 Updates: Where Are We Now?

Continuous Improvement Process

AGOs & Councils

We are Here

Internal Survey Items [Never, Rarely, Sometimes, Often, Always]

- **Follow-up (action) items and persons responsible were clearly communicated.**
- **Meetings were efficient.**
- **Members had adequate information to make informed recommendations.**
- **Members had equal opportunity to participate.**
- **My participation in this organization was important and valuable to the campus.**
- **The council worked effectively towards fulfilling its purpose and responsibilities.**

Thanks to you!
We're better together.

By the Numbers...

13 surveys were distributed.

913 took the external Student Congress survey.

191 participated in all other surveys.

236 comments provided feedback.

CI Report

(Name of Organization Here)

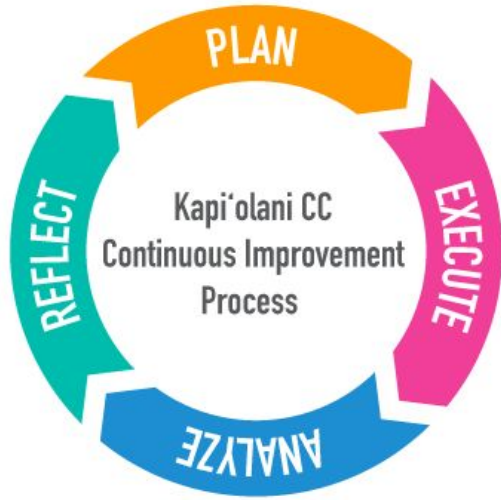

2018-2019 Academic Year

What successes does your data reflect?

- Delete this explanatory text to input your own response.
- Highlight achievements from the current academic year, citing specific data.
- Utilize survey data to the best of your ability and include other data sets if relevant and available.
- In the future, each organization will use explicit strategies for collecting relevant data to measure the progress and impact of its goals.
- These strategies will streamline end-of-year reflection/reporting and emphasize data-based decision making.

What goals emerge from the data?

- Delete this explanatory text to input your own response.
- Discuss where the data indicates an improvement might be possible/needed.
- Utilize survey data to the best of your ability and include other specific data sets if relevant and available.
