News from Ka Puna O Kalo’i

UH West O'ahu part of effort to encourage Pacific Islander students to go to college

Pacific Islander high schoolers in an Early College program whose core curriculum was developed in partnership with the University of Hawai'i-West O'ahu were honored last month at a graduation ceremony for completing their first Early College course. The event is part of a larger effort to introduce college opportunities to and boost the confidence of Pacific Islander students, who are underrepresented in higher education.
