## Middle School AVID Strive For Your Highest Fair – FEBRUARY 19, 2016

Kapi'olani Community College is making an effort to develop stronger students, but WE NEED YOUR HELP!

The Kuilei Outreach Program is organizing the first ever Middle School AVID Strive For Your Highest Fair targeting 8th grade students in AVID ([www.avid.org](http://www.avid.org)). We are anticipating about 500+ students. The goal is to encourage these students to think big, work hard in high school, and enroll in college. The transition from middle school to high school is critical to their success not only in high school but college as well. We are asking for your support. We need folks willing to highlight their programs to these wonderful students. It doesn't have to be anything complicated.

For example, teaching them how to read a pulse, showing them how math is used everyday, anything that get these students excited about learning.

If you are excited about this event and want to participate but have a bunch of questions, please contact Sheldon Tawata at X9842 or [sheldont@hawaii.edu](mailto:sheldont@hawaii.edu), or Drake Zintgraff at X9399 or [drakez@hawaii.edu](mailto:drakez@hawaii.edu). Thank you!!
