The Kapi'olani Community College is so much more than a school. There are several active RIOs (Registered Student Clubs) including those with academic, cultural or social focuses. The OSA encourages all students to get involved in co-curricular activities for the many benefits associated with such experiences. You can enhance your education, add experience to your resumé, and develop skills for your future career opportunities. If there is not an existing RIO for your interests, then, start a new RIO. All you need is six KCC students, faculty or staff. Come by the OSA office at 'Iliahi 126 for more information, or call 734-9576. Get involved!
