All four colleges are based on liberal arts courses. #1 and #2 completed AA at KCC and BA or BS at UH Mānoa or another U.S. university. #3 completed this semester and sent students to us. #4 just started last year with over 100 students in that program.

All the programs must be approved by the China Ministry of Education. When the students take the China National College entry exam, they are able to choose our program code. The students are required to pass the Gaokao National College entry exam in order to be accepted. The students are also required to meet Kapi'olani CC admission requirements in order to study at the College.
