This is a CR/NC accelerated algebra course that has in-class lectures but allows students to move at their own pace. A scientific calculator is required along with a MML access code (packaged with the textbook in the bookstore) that will allow them to register for the online component of the course. All assignments and tests are administered online. All class meetings are mandatory and students should expect to put in 6-8 hours per week outside scheduled class meetings in order to complete the course. Students will be eligible to take Math 103 upon successful completion of MATH 98. Please contact Evan Yoshimura, eyoshimu@hawaii.edu / 734-9361 if you have any questions or concerns.
