The Principal Speaks

Practical Nursing Department Building

Application Interview

What will a career in nursing mean?

A lifetime vocation with enriching experience.
Employment available with good pay.
A career that is varied and interesting.
Personal satisfaction in giving service.

Educational Standards?

The Department of Education operates the program in cooperation with local hospitals.
The course is fully accredited by the Hawaii Board of Nursing.
Upon satisfactory completion of the course, graduates will be eligible to take the examination for license as a practical nurse.

What are the entrance requirements?

AGE: 18-50 years
SEX : Men and Women
EDUCATION: High School graduation
(Exceptions may be made for applicants over 25 years of age)
HEALTH: Good mental and physical health
(Pre-entrance physical examination required)
SUITABILITY FOR NURSING: Determined by entrance tests, school records, references and personal interviews.

What does the one-year course include?

6 MONTHS: BASIC NURSING COURSES—
Fundamentals of Nursing, Family Living, Personal and Vocational Relations, Nutrition and Diet Therapy, and First Aid and Civil Defense.
MEDICAL AND SURGICAL NURSING—
Experience in one of three hospitals: Kaiser, Queen's or St. Francis.
6 MONTHS: Nursing experience with concurrent classes in specialized areas including:
* Mothers and new babies 6 wks.
Care of well children 2 wks.
Care of sick children 4 wks.
Rehabilitation nursing 2 wks.
Psychiatric nursing 8 wks.
VACATIONS: 2 wks. at Christmas and 2 wks. in August.
* Advanced Med-Surgical 2 wks.

What is the cost?

Maximum cost including school fees, books, uniforms and graduation expenses will not exceed \$160. In addition students are responsible for their own living expenses and transportation. Students will be assisted in finding employment in good homes in exchange for board and room and a small salary if desired.

Employment Opportunities?

There are many positions open to Licensed Practical Nurses (male and female) in hospitals, physician's offices, homes, and public health agencies.

Nursing Laboratory

With the Psychiatric Patient

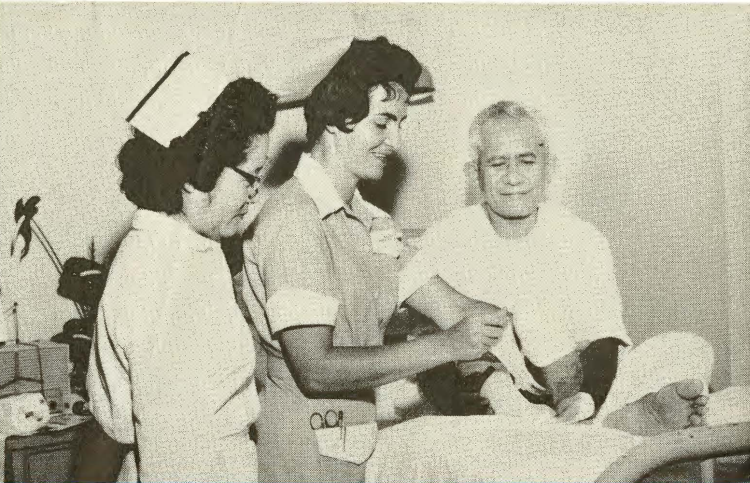

Care of Mothers and Babies

Care of Children

Care of Medical and Surgical Patient

Care of the Well Child

How, when, and where can one apply?

Application may be made at the school any time by calling for an appointment or writing a letter of inquiry if you live on another island.

Application should be made 3 to 6 months in advance of beginning date whenever possible to allow adequate time for interviews and aptitude testing.

Classes will begin:

Early in September

Early in March

March 2, 1965
