iLibrary - Federal School Code List

The Federal School Code List contains the unique codes assigned by the Department of Education for schools participating in the Title IV federal student aid programs. Students can enter these codes on the Free Application for Federal Student Aid (FAFSA) to indicate which postsecondary schools they want to receive their financial application results.

The Federal School Code List is a searchable document in Excel format. The list will be updated on the first of February, May, August, and November of each calendar year.
