THIS WEEK AT UHWO
a bulletin for UH West O'ahu faculty and staff

Week of January 27

UH West O'ahu all faculty and staff professional development opportunity, Feb. 5-7

Award-winning educator Dr. Joe Cuseo will host a series of professional development workshops on promoting a student-centered campus, and creating a culture of student success. All UH West O'ahu faculty and staff are encouraged to attend the workshops that will take place Feb. 5, 6, and 7 on campus. Cuseo is professor emeritus of Psychology at Marymount College in California where for more than 25 years, he directed the first-year seminar - a core course required of all new students. He is currently an educational adviser and consultant for AVID - a non-profit organization that promotes the college access and success of underserved student populations. Workshop times and topics are currently being finalized and will be announced in the Feb. 3 "This Week at UHWO" news bulletin.
