

Hawaii Great Leaders Seminar

Join us at the first **Hawaii Great Leaders Seminar** modeled after the successful Hawaii National Great Teachers Seminar.

The seminar is based on the notion that, if properly tapped, the collective experience, wisdom and creativity of any group of practicing educational leaders far surpass that of any individual expert.

The seminar involves:

- large and small group activities
- small group discussion model
- participant-generated seminar topics
- networking with educational administrators and leaders

Presented by

Leeward Community College, University of Hawaii
