AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee,
And Crown thy good with brotherhood
From sea to shining sea!

O beautiful for glorious tale
Of liberating strife,
When valiantly for man's avail
Men lavished precious life!
America! America!
May God thy gold refine,
Till all success be nobleness
And every gain divine!

O beautiful for patriot dream
That sees, beyond the years,
Thine alabaster cities gleam,
Undimmed by human tears!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!
