Chancellor's Bulletin No. 83

Statement of Gratitude and Kindness

"Gratitude and attitude are not challenges; they are choices."

~ Robert Braathe

"I truly believe we can either see the connections, celebrate them, and express gratitude for our blessings, or we can see life as a string of coincidences that have no meaning or connection. For me, I'm going to believe in miracles, celebrate life, rejoice in the views of eternity, and hope my choices will create a positive ripple effect in the lives of others. This is my choice."

~Mike Ericksen
