'Imi Na'auao Peer Mentor Program

Building academic relationships, I ka Imi Na'auao

"E lawe i ke a'oa mālama, a e 'oi mau ka na'auao. Take what you have learned and apply it and your wisdom will increase." (Pukui, 1983) A reminder to us that when we learn and gain 'ike (knowledge), we have a kūleana, a responsibility to apply, use, and share it with others.

The STEM Mentors at Kapi'olani Community College are STEM students who have achieved a required level of expertise and have already completed the required number of courses. Mentoring is available for free to all students enrolled in any science, technology, engineering, or math classes. We encourage all KapCC students enrolled in science and/or math courses to take advantage of this free service! Please click on the link below to view the full schedule for the semester.

[2018 Spring Peer Mentor Schedule](#) (pdf)

The peer mentor schedule above can be viewed online or downloaded in PDF format. For those who would like to print the schedule, it is recommended that the schedule be printed on "executive" size paper format.

Individual Peer Mentor Schedules

**Spring 2018 Peer Mentor Individual Schedules are pending. Please check back in one week for the updated version.
Mahalo for your understanding!*

Schedules for the Fall 2018 semester are organized by individual peer mentor. Information provided is Directory Information outlined by FERPA.
