29. Grading Options [required field]

- 30. Grading Scale and Weighting Suggestions (reflect suggested selections from #16)
[required field]**
- 31. Is the course required or an elective in a degree or certificate program? If yes, name the degree or certificate where the course is required.**
- 32. For what degree or certificate program(s) was the course designed? Will the course lengthen the time for the students to complete the program? Will it replace another course?**
- 33. Will this course proposal increase or decrease the number of required hours needed for a certificate or degree? Yes/No If yes, provide justification.**
- 34. Will this proposal require a change in staff, equipment, facilities, or other resources?**
- 35. Do we have a full-time faculty member who meets the requirements to teach this course? If not, who will teach the course?**
- 36. Is this an experimental course seeking regular status? Yes/No If "Yes", what was the experimental number and when (what semesters/years) were the experimental classes offered?**
- 37. How is this course related to the educational needs and goals of the division, college, and community as reflected in the Strategic Plan? How is it related to courses and programs?**
- 38. Basic skills (reading, writing and analytical) needed for success in the course. The concern here is with the skill levels required of students rather than the level of material in the class.**
- 39. Amount (quantity) and level of reading, writing or other independent work required. As a rule of thumb, much of the reading material for a freshman level course should be at 12th or 13th grade level.**

- 40. Amount (quantity) and level of quantitative and logical reasoning required. Where the course involves use of mathematics, a minimum of one year of high school algebra, or its equivalent, as background for the course would be required for transfer courses.**
- 41. Background knowledge in related subject matter expected of students entering the course. Is a course based on the expectation that students will have completed normal high school courses in related areas?**
- 42. Expectations for student participation outside of class. Students are expected to spend at least three hours outside of class for every hour in class by means of the following activities:**
- 43. Justify the level of proposed course: 100 level, 200 level, 300 level, or lower than 100 level.**
- 44. Identify similar courses at other UH colleges: list college, alpha, number, title, and credits for each. If it differs in important ways, explain how.**
- 45. Is a similar course taught on the upper-division level by a four year UH college? If so, explain why this course is appropriate at the lower division, or how it differs from its upper-division counterpart.**
- 46. Is this course appropriate for articulation with the UH Manoa General Education Core Requirements? Yes/No**
- 47. Is the course currently articulated with any two or four-year program at another UH institution? If so, give details and dates of agreement(s) and explain any impact the proposed change may have upon articulation. (Please note that this is NOT a reference to UHM Gen Ed articulation.)**
- 48. Maximum enrollment per class section? (and justification if maximum enrollment is not standard) [required field]**

49. Number of sections per semester or year?

50. Exclude from catalog? Yes/No

51. Justification (explain why this curriculum action is proposed). If applicable, list explanations of how this course meets Diversification or Foundations Hallmarks.
