Campus Safety & Security

- [2011 Kapiolani Community College Annual Security Report](#)
- [Crime Prevention / Safety Precautions](#)

Kapiolani Community College (KCC) is firmly committed to providing a safe and secure campus environment. Campus Security is available 24 hours a day, seven days a week.

Off-Campus Phone Number: 808.734.9900

On-Campus Extension: x9900

As KCC supplements its Security Department with a contract guard service, the KCC security number (734.9900 or x9900) is often forwarded to a cell phone carried by the contracted guards on duty.

Campus Escort

Campus security provides transportation or a walking escort from dusk to dawn for anyone walking alone on campus at night. By dialing "9900", from an on-campus phone, an escort can be summoned to your location.

Safety Precautions

- Travel and park in lighted areas; travel in pairs if possible; be aware of your surroundings; use the escort service.
- Report any suspicious persons or activities; report all incidents no matter how minor; report losses immediately.
- Be sure to lock and secure window and doors in your room or office; lock cars and bikes; store valuables in the trunk of your car.
- Never loan keys to anyone. Keys may be lost, stolen, or duplicated.
- Don't leave belongings and valuables unattended. Mark or engrave your belongings.
- Familiarize yourself with the locations of phones and the security office.

Reporting Suspicious Activity

The first thing to do is ensure your own safety.

Next, contact campus security immediately. State what the problem is and the location of the incident. You could say "someone is hiding in the bushes in the Kopiko parking lot" or "someone is walking on the roof of the Koa building." Then give as much information about the people involved, e.g., how many are involved and a description of what they are wearing.
