Good Afternoon and All Hallow's Eve Chancellor Namaka:

Thank you so very much for taking the time out of your busy schedule to spend time with our Staff members, partaking in our membership meeting and sharing words of wisdom, gratitude, and inspiration as our guest speaker today. Your message conveyed the love, support, and appreciation you have for the 154 plus Staff members that make up our Great College. I also wanted to compliment you on how much attention to detail you take when you choose a period piece costume and mask. Simply stunning! **"Vous êtes belle Chancellor"**!

I would also like to take this opportunity to thank you for increasing our professional development budget allocation to \$10,000. I am grateful that you took to heart one of the four tenets that Staff Council set forth during the start of this fiscal year that brought forth the importance to invest and reinvest in our amazing and hardworking Staff members across campus. With the increase, I will help Staff Council ramp up its outreach efforts in not only assisting with the process but finding and fielding professional development opportunities that will continue to increase job knowledge, productivity, performance, inspire innovation, collegiality, and *"Kulia I ka Nu`u"*.

Feel free to contact me if you have any questions.

Mahalo piha.

Aloha,
Alissa
