Newlyweds...

Best wishes to Mr. and Mrs. DENNIS KAWAMURA who were married on January 19 at the Waipahu Soto Mission.

The bride is the former Karen Yamagishi, daughter of Mrs. Haru Yamagishi of Mill Village.

The bridegroom hails from Waialua.

Takamoto Hauls in A 233-Pound Deep Sea Bass

Ewa's uncontested fishing champ, Robert "Shiek" Takamoto, really hit the "jackpot" this time--a 233½-pound large-mouth deep sea bass caught off Barber's Point on Saturday, January 19 at about 5:30 p.m. This sea bass whose natural habitat is in the deep of the ocean somehow swam into the shallow waters of about 15 feet, two hundred yards in from the shore, where Shiek had set his 60-pound test line and two-pound bait of Moray eel.

It took Shiek about 40 minutes to haul this monster to shore. And the battle didn't quite end here. Fortunately, there were three other fishermen nearby who came to his aid. And it took all of the strength of the four men to drag the fish to dry land and load it into Shiek's car.

Shiek, who stands 5 feet 4 inches, is dwarfed in the picture by the enormous six feet plus fish. The girth was estimated to be 64 inches.

This last haul backs us up 100% when we say that Shiek is the champ of all fishing champs in Ewa.

Sign Up for Little League Baseball

Cheers and jeers and the familiar command of the umpire - "Play ball" - will soon be ringing in our ears. And it will be comforting to know that our youngsters are engaged in a wholesome activity.

The details of the E.R.A. Little League baseball have been worked out and the officials have been appointed. Now the all important part comes into play--the registration of the boys. This will be held on Saturday, February 2, from 9:00 a.m. to 12 noon, at the Ewa gym.

All boys in our community, from 7 to 12 years of age, are encouraged to sign up. There's one requirement to this--they must be accompanied by a parent. But this shouldn't pose any problem. Every father wants to see his son engaged in a healthy and a well supervised activity. So, let's get them signed up on February 2nd.

About Your Social Security...

Q. I am a mother baby sitting for my son's baby boy. Does the recent change in the law allow me to get Social Security credit for this work?

A. No. The recent change in the law gives mothers and fathers working for sons and daughters in a trade or business Social Security credit for their work. Domestic work done by a parent for a son or daughter is still not covered by Social Security.
