A BULLETIN FOR UH WEST O'AHU FACULTY AND STAFF
This Week at UH West O'ahu
Week of January 17

Campus Climate Survey

The University of Hawai'i will begin administering the UH Student Climate Survey on Sexual Harassment and Gender-Based Violence on Friday, Jan. 20. The survey is online and confidential and covers topics such as experiences with sexual harassment, sexual assault, domestic and dating violence, and stalking.

Current UH students who are 18 year or older will receive a link in their hawaii.edu email accounts. The survey runs through Feb. 20, 2017. The survey is confidential – it doesn't ask for personally identifiable information. Completion of the survey is not required. UH West O'ahu is striving for a goal of 20 percent of our students completing the survey.

There are safe, confidential places offered at UH West O'ahu. Go to <http://www.uhwo.hawaii.edu/campus-life/campus-services/counseling-services/> for UH West O'ahu's Counseling Services.
