## THIS WEEK AT UHWO

*a bulletin for UH West O'ahu faculty and staff*

Week of May 16

### 'Research is Ceremony: Conversation with Dr. Shawn Wilson,' May 24

Dr. [Shawn Wilson](#), author of "[Research is Ceremony: Indigenous Research Methods](#)" will read and discuss his work during a book circle event for interested UHWO faculty and staff this May. Book circle members will receive a copy of "Research is Ceremony: Indigenous Research Methods" and attend three book circle meetings at times as determined by UHWO faculty and staff participants during the summer. The book circle offers a great opportunity to:

- Get to know each other differently through discussing ideas and world views
- Bring forth indigenous and enduring principles, ideas, and values relevant to our lives

Book circle participants and all UHWO faculty and staff are invited to "Research is Ceremony: Conversation with Dr. Shawn Wilson" on Tuesday, May 24 at 1 p.m. at a location to be determined. Join the book circle by contacting Umi Jensen at [juj@hawaii.edu](mailto:juj@hawaii.edu).
