A BULLETIN FOR UH WEST O'AHU FACULTY AND STAFF
This Week at UH West O'ahu
Week of June 19

Feedback requested for the Long Range Academic Planning Work Group

As Chancellor Maenette Benham outlined in her June Ka Peahi Lono message, feedback from faculty and staff is requested for the work of the Long Range Academic Planning Work Group. The Work Group has brainstormed principles and possible elements in a series of mind maps. They are currently posted in the lobby area of the library as you enter, the little alcove on the left (coffee area), and along the wall on the left side.

Please [click on this link](#) to access the feedback form, which includes reproductions of all of the mind maps if you are unable to view the original mind maps at the library. **Be sure to scroll to the bottom for the feedback questions.** The [feedback form](#) is an opportunity for you to provide your perspective on what the UHWO "Academic" structure of divisions and programs might look like.

Please submit [your responses](#) no later than end of day (5 p.m.) Monday, June 26, 2017. Mahalo for your continued contributions toward UH West O'ahu's success!

NOTICE: UHWO Fire Protection Systems Inspection and Testing, June 22-23

UH West O'ahu and Contractor Simplex Grinnell will conduct testing of the University's fire protection systems. The work is scheduled for Thursday, June 22, 2017 through Friday, June 23, 2017 (6:30 a.m. to 4 p.m.)

SCOPE OF WORK:

The audible alarms, visual alarms and smoke detectors on the first floors of all building will be inspected and tested. The FM200 fire suppression systems in the Library and Maintenance buildings will be inspected and tested.

DURATION AND HOURS OF WORK:

Audible/Visual Testing: 6:30 a.m. to 8 a.m., on both days
Other inspections and testing throughout June 22 and 23.

ADVISORY:

During the fire alarm audible/visual testing, the audible alarms will sound (very loud) and the visual alarms will strobe intermittently. The audible and visual testing will be conducted one building at a time and should be completed within the above posted time frame; should there be any changes or any delays, an email update will be sent.

The Contractor, Simplex Grinnell, service technicians will be wearing their company uniforms and will be escorted by UHWO EHSO throughout the buildings. UHWO EHSO encourages you to review fire evacuation procedures during the testing.

Thank you in advance for your patience and cooperation during this important testing of our fire protection systems. If you have any questions or concerns, please contact Beverly Orillo at 689-

2529 or bbasilio@hawaii.edu.
