Dear Ms. Bellamy-Lamb

Thank you for lecturing for the Business, Legal and Technology Department (BLT). It has been our pleasure to have you as one of our lecturers during the AY 2014 (2013-2014).

Susan Dik and I have reviewed your self-assessment, peer evaluation, and student evaluations. I am glad to inform you that you met the expectations of the BLT Department.

Your student evaluations were very good. I recommend that you keep reviewing the results of the mean scores and address any mean that falls below the campus average.

For the coming semester, I suggest that you consider ways to make the team activities work better. Seems like not all of the teams were functioning well. Your quick responses to students will also be appreciated.

We look forward to working with you again and mahalo for your service to Kapi'olani Community College.

Sincerely
